I read it about ten years ago and I recommend it to everyone I know who has anything to do with the elderly, whether they have Alzheimer's or not. I'm now in the midst of preparing paperwork for respite and adult daycare, neither of which I knew existed before reading this book.

TheFamilyGuidetoAgingParents: I'm a nurse and also work in Medical Humanities where stories of illness and caregiving are highly valued. She uses humor to cope, as we do, as. Thankful that God has spared us the worst so far.
