The lack of digital literacy was manifested by overreliance on Wikipedia and Google, inability to evaluate content, or dysfunctional lack of awareness or unwillingness to learn about library research tools. While for me Map of Time started like a shot, this one is more like Map of the Sky in that it begins with a slow building of the world s but soon picks up pace and does not stop barreling ahead until it ends in what to me felt like the perfect combination of drama and sentiment that left me feeling uplifted by the sheer power of the human mind's capacity for creativity. Muy interesante, ameno, divertido

traditional role of educational establishments at all levels, from kindergarten up to university, has been to assist their students to construct knowledge through guidance, tutoring and personal attention, and not merely to impart information. Shortly after his return to the island where he was born, a perfectly preserved corpse of a young man was recovered from a peat bog.
