Where did this story come from, and what kind of changes did it go through on its journey from conception to completion? This was really cute, it did not turn out like I had thought. I would recommend this book to children ages four and up since there is nothing Please try again later. I always appreciate his work because of the many conversations I can have with my students about different facets of life and how we can learn and grow from the situations presented in the book. I never know why I do things at certain times. Top Reviews Most recent Top Reviews. I also was living with a puppy and a kitten and had a three year old daughter, and their innocence and playfulness all influenced the dinosaur's personality.
