You can manage yourself and your emotions, identify opportunities for development, and make the most of your strengths. They can respond appropriately, cutting out the drama. Writer Bill George argues that every leader needs a trusted support team that can provide them with honest feedback.

They see you every day. You might want to take some of those bullets above for a start. Why do I respond to situations with anger, fear, optimism, or withdrawal? Finally, you need good bus-driving skills. You can manage yourself and your emotions, identify opportunities for development, means you listen to understand, and you listen with a focus on the future. And a self-aware leader is a resilient leader.
