All that being said, I am in love with the world in this book. I absolutely love Bloodlust (Bloodlust Series Book 1), it's a lovely length, full of action, I love the relationships and am so looking forward to reading the next one I was surprised at how much I enjoyed this book I could not put it down and would give it more stars if I. I sure hope a fourth book is in the making!

The length of relationship, at least partially, will depend on how many and who. Though, as they day repeatedly throughout the entire book, he would hate to kill them but he wouldn't hesitate to do it and wouldn't lose sleep over it. Five glittery stars for another hit by Donna Flynn! The sex scenes are also not detailed the way some other books detail the sex scen I know people read Bloodlust (Bloodlust Series Book 1) to see if they should read the book so here's mine and I hope it convinces you.

The plot was really interesting with a lot of twists and turns. But the language to contrast her to her darker skinned peers was really strange and tone deaf to our own culture, calling the people making fun of her "dark-skinned apes" at one point, which absolutely did not endear me to the book. Does not anyone do a background check?
