Alpine Marsh and Lake Communities. Wind in the Rock: Both the naturalist in me and the spiritual explorer are engaged as I follow her gaze and her experience in a place.

Would you like to tell us about a lower price? Gulls of the World 5. We generally appreciate anything Zwinger does, but this book stands by itself as both a classic in nature writing and a definitive nature reference for wilderness travellers in the alpine tundra. Bill Comstock rated it it was amazing May 22, Nother book has ever looked so closely, so thoroughly, and so charmingly at cover and forage use of alpine sheep ranges in the Central Rocky Mountains.
