It exists beyond its products and services. While there are people that have authority, that does not make them a leader. Rather, whoever wishes to be great among you shall be your servant; whoever wishes to be first among you shall be your slave.

This in itself was not unprecedented. To grow our leadership skills, it doesn't. Trust doesn't emerge simply because a customer makes a decision to buy. Trust must be established before anyone will make the decision to follow you. It's also important to note that none of these leaders set out to "be first," instead they set out to serve .

Fulfilling all your responsibilities does not create trust. When they are great leaders inspire action Posted May
