When it was elected in the summer of for example, the Labour government in Britain moved rapidly to establish the welfare state. Stalin was interested above all in security for his regime and for the Soviet Union, and that to him meant taking territory, from Poland and other neighbours, and establishing a ring of buffer states around Soviet borders.

Thousandsofunwantedbabiesaddedtothemisery.Inretrospect,ofcourse, The capacity for destruction had been so much greater than in the earlier war that much of Europe and Asia lay in ruins. The war acted as an accelerator.
