Have a plan and stick with it. We are all brave with the wind at our backs.

The market is unlikely to reverse to any significant degree until almost ever. Dennis and Eckhardt understood that the most important thing during a losing streak is not how fast you can recoup your losses, but the degree to which you can limit your losses. My mentality is to compound money. If you are a seller for this product, would you like to suggest updates through seller support? Why would you do that? Once you have the skill, money will naturally flow in your trading account – and personal bank account!
