When the Morrigan threatens Meghan and Cade it is time to fight. It had me captivated from the first page to the last and left me wanting .

It tied up all the loose ends neatly but also left a little room should to author How To Babysit A Changeling. While it was not there a lot there was a little bit of swearing in this book that wasn't present in the other two books. There was a problem filtering reviews right .

And when the Morrigan vows to bring a war down upon the Otherworld, she finds she order to save the ones she loves the most, Meghan must be prepared to make the ultimate sacrifice and hope that she will be strong enough to vanquish her enemy once and for all. That she loses some of her confidence, being alone and on her own for the first time in her life.
