Grace is the inclusive and expansive power of God's love to create and sustain relationships of real mutuality and reciprocity, and Webb unfolds the implications of the recognition that animals too participate in God's abundant grace. This book is available as part of Oxford Scholarship Online - view abstracts and keywords at book and chapter level. VisionsofReligionStephenS. Webb's book does provide an important starting point for further discussion of the theological meaning of pet relationships, and the implications of those relationships for the way we treat all animals and live in the world. There is no wild left. Webb extends Paul's end-time theology, including all of creation in the conviction that how we interact with each other matters.
