**Mistress Bradstreet: The Untold Life of America's First Poet -- book review**

Editorial Reviews. From Publishers Weekly. When Anne Bradstreet (?) published her first book of poetry, The Tenth Muse, in , she called it the.

In between it all she continued to read, to discuss intellectual topics with her learned neighbors, and to write. It was a leap in logic that made sense to a people who had been taught to compare their "bondage" in England to the Israelites' in Egypt, and who saw their journey to the New World as a reprise of the Jews' famous exodus to the promised land. Open to the public.

Granted, there were also nobles who hated them, and the merciless king who

Thanks goodness you are such a monster! What he was complimenting Gordon on was her skillful and precise treatment of social history -- including details most wonderfully mundane and high-mindedly philosophical.

I can't give this book just one star because I might have liked it had I finished. I remained unconvinced by such heady forecasts. I loved reading about this puritan girl and her beliefs.
