I probably would not have finished reading it if I had not been so familiar with the author and sure that she would come. She's also in love with a married man named Paul who lives in Miami part of the year.

Emma, the narrator, sets out on a career as a journalist in Miami at the time of the

I was drawn in by the protagonist, Emma. The feeling of being part of a vast organism. The Line That Held Us. Disappointing for Gail Godwin. I think I will have to get the book and try reading it to myself and find out, as the story about what was going on in Miami in the wake of the Cuban Revolution promises to be interesting, regardless of whether I like the person telling the story.
