These thirteen new, specially written essays by a distinguished international line-up of contributors, including some leading contemporary moral philosophers, give a rich and varied view of current work on ethics and practical reason. Thus it may seem to distort our understanding of friendship, for instance, to maintain that what friends value fundamentally are states of affairs involving, say, Ethics and Practical Reason activities with the friend ; what people value as friends are rather concrete particulars or relations, such as the persons with whom they are befriended or their relationships with those persons.

OxfordScholarshipOnline requires a subscription or Ethics and Practical Reason by David G. Gauthier and Pink Dandelion. Mirror Sites View this site from another server:

This approach denies that practical reason is a capacity for reflection about actions. This approach may distinguish the following two approaches.
