No one, no movement of people should ever be so arrogant as to say that they can't fall into error - even though they seek truth. Paternoster Press, Retrieved 26 September

This has been characterised as a major shift from religion to spirituality. T Revisionists are theologically liberal, and openly question whether evangelical doctrine is appropriate for the postmodern world. Hence, supposedly there is no exclusive true gospel. Because of the participation values named earlier, being community through participation affects the governance of most Emerging Churches.

In this case "Emerging" refers to the whole in informal, church-based, global Christian Broadcasting Network CBN is a global ministry committed to preparing the nations of the world for the coming of Jesus Christ through mass media.
