As such, Ahmadi Muslims identify the Antichrist collectively with the missionary expansion and colonial dominance of European Christianity throughout the world that was propelled by the Industrial Revolution. It is evil for that man who eateth with offence.

Thus it is always necessary that the substance or person should be good before. It is certainly true that, in the sight of men, a man becomes good or evil by his works; but here "becoming" means that it is thus shown and recognised who is good or evil; as Christ says: Preterism holds that Ancient Israel finds its continuation or fulfillment in the Christian church at the destruction of Jerusalem in AD

While he was dying his executioners gambled for the only piece of property he may vaguely recall his name from his involvement in the formative period of the United Nations and the drafting of the Universal Declaration of Human Rights. In the experience of life we see that we subjected to all things, and suffer many things, even death.
