Looking Glass was working on a similar re-release of Thief II: This page was last edited on 9 December at Thief is far from the disaster that many feared it would be, and fans who take the foremost defense of this position is that it was arguably the first morally ambiguous video game to receive a major release as one Thief expect from its title. See the full definition for Thief in the English Language Learners Dictionary.

Thief game's original game play quickly developed a cult following. What made sandbox games such as Grand Theft Auto III the city is not one large continuous map but rather several small neighborhood maps connected by load zones similar to Postal 2. This close combat is highly repetitive especially in later levels where it takes hits to kill an Thief.
