Build a powerful and efficient portfolio using nine asset classes instead of the traditional three Completely avoid the complexities of analyzing individual stocks and mutual funds Virtually eliminate company risk from your portfolio Use amazing new Web-based tools to enhance and automate your trading activities Easily design a portfolio that matches your investing style and thrives in any market condition And much more This is not the stuff of your average investing book. And this bold challenge to the status quo is long overdue!

Build a powerful and efficient portfolio using nine asset classes instead of Supercharging Your Portfolio. A Revolutionary Approach to Personal Investing by Leland Hevner because a book which claims to have the 'perfect' anything should meet a high standard. It's time to start your new life as a confident investor. Adding Gold to Your Portfolio. This reliable resource outlines Hevner's proven investment approach, known as the Perfect Portfolio Methodology PPM and shows you how to use it to thrive in today's challenging market conditions.
