Continuity of care is the most important aspect at this stage. On a prior visit to the daycare center with the child, take a couple of photos of learning centers avoiding other children to share with your child at home. You'll play, and then eat lunch sitting at the little tables.

However, childcare centres can work well if there are a small number of babies. More on this Topic Getting out of the house can be especially challenging with an infant. If these answers are way out of line with your budget or schedule, it's an easy way to eliminate a provider from your list.

Talk about the fun playground or the book area that they will get to visit. James a probability not a certainty.
