There's not a lot written on the subject so I appreciate the author for putting this. Most disappointing is the frequent bible references.

The other problem is that most of the material in this book is subject to change. Medicare at age 65? My copy is full of dog-ears and highlighting. To learn more about Amazon Sponsored Products, click . And I'm glad to have this book. I wanted to learn what I needed to know as a small US business owner with US income property, a dual citizen wife employed in Canada, and children all emigrating. When you click on a Sponsored Product ad, you will be taken to an Amazon detail page where you can learn more about the product and purchase it.
