Marviette rated it liked it Jan 06, What the difference between twin flames and soulmates? Never have felt that in my life.

I went to one of his concerts and felt the exact same way this is describing but w Completely agree with everything but age difference. You only have one soulmate.

We were like-minded from the start. I didn't understand why I was getting so up we hooked up her accident would probably never have happened and who knows what life would have looked like today. And when we met, it was exactly amazing how comfortable we were together, like we've been meeting everyday.
