My personal favorite is a story about the importance of observation referencing Sir William Osler. I have read several other books about various Bible study methods and it's almost like they're written in code!

Observation-WhatdoestheBiblesay?AlthoughthisiswrittenmorefornewCh
Each chapter is filled with tools and examples of how to implement. While Searching the Scriptures Searching the Scriptures be a bit overwhelming for a new Christian I think this would be the perfect book that explains how the Bible is set up.
