There are probably many more errors in the book than those I list—I know little about Fugger or the Holy Roman Empire of the period, so I suspect there are many other howlers that I just missed. Money makes money... and when he was able to make a loan, he asked the exploitation monopoly on silver and other mines in Austria.

Moreover, Steinmetz writes well, and narrates the story with reasonable vigor. But, Jacob Fugger died solvent and independently wealthy, and that wealth remains in his family today. This books suggests that if it weren't for Fugger funding probably all of the German states would have ended up as Protestant.
