Screwed by a Client Again, but for the Last Time! | Webydo Blog

Take control of New Construction or Remodel projects with the comprehensive book: SCREW IT: I'll Be My Own Contractor, by veteran contractor Bill Trimble.

How Women Should Deal with Contractors

Did I get screwed by my "electrician" running my cat6 At first i thought no big deal ill buy the proper jacks and rewire . and you pay him to do that but they fuck it up and on new construction at that. .. Although, I would not accept this from my own personal installs, the outcome may meet your specs.

Screwed by a Client Again, but for the Last Time! | Webydo Blog

Take control of New Construction or Remodel projects with the comprehensive book: SCREW IT: I'll Be My Own Contractor, by veteran contractor Bill Trimble.

Why Home Remodeling Always Takes Longer And Costs More Than Expected

Contractors seem to be less eager for these bigger, less sexy jobs. And later, when I was putting in a patio doing all of the work myself he let me borrow his gravel compactor free of charge!

Makesurethekidsdonotdistractyourmeetingswiththecontractor.Eventhe I'm still navigating new challenges with each little project we do, but here are six things that I learned dealing with each trade contractor:. Of course, I won't task my electrician with running fiber patch cables, it's not in his skill set or experience, no reason it should be.

Ifyouhavefriendswhohavedonethisprocessbefore,utilize.It's not just the cabling contractors, but everyone on site has this type of attitude--not paying attention to the details on the plans, the specifications, or sometimes even building code because 'I've always done it this way'.
