More importantly, they understand that keeping a great team environment and having fun are much more important than securing the win. Taking the time to get extra shots up. A great teammate has a sense of humor and has fun!

Being willing to accept a reduction in minutes while keeping a great attitude. Just as being a great teammate involves you knowing how to deliver feedback to your teammates, you must be willing and open to accept feedback from them. If you want someone to work on their own challenges, you have to be willing to work on yours .

When most players think about respect, they only think about respecting the team that can only happen when coaches make it a continual part of their practice and game day communication with the team. Share with your friends on Facebook and join the largest network of hockey parents.
