For every question, figure out exactly what the question is asking by locating key words that are in the question. Plus - the Procrastination connection -Did you now that test anxiety is often related to procrastination? Students often think they know what a question is asking before reading it and jump straight to the most logical answer.

ShopbopDesignerFashionBrands.Makesureyouputyournameonyourtest.Read every answer option prior to choosing a final answer. When two answers are correct in a multiple choice question with an "All of the above" option, then it's probably the correct choice.
